

CLINICAL HAEMATOLOGY SERVICES PATHLAB WAIKATO

We would like to advise that Dr Stephen May retired from his clinical practice at the beginning of this year. Pathlab welcomes **Dr Julia Phillips MBChB, MRCP, MRCPATH, FRACP** and **Dr Natalia Gavrilova MD, FRACP, FRCPA**- our two new Clinical Haematologists who will be looking after Stephen's patients. **Julia and Natalia welcome new referrals.**

Stephen will still be available for laboratory supervision and advice two days a week.

Dr Julia Phillips started with us in January. She is doing clinics on two days of the week and has specific expertise in coagulation disorders.

In addition to previous laboratory duties, Dr Natalia Gavrilova will also be doing clinics on a weekly basis. Natalia has particular expertise in malignant haematology.

While Dr Humphrey Pullon continues with weekly clinics, he is currently on sabbatical leave until 8th August 2016 and will resume his clinics upon his return.

Clinical Haematologists can be contacted at Pathlab on **07 858 0795**.

Referrals can be posted to **PO Box 9115, Hamilton 3240** or faxed to **07 858 0796**.
